

## DIRECTIONS

### From Tillsonburg

Take this turn off if you want to pass through a large town, Tillsonburg. Follow the #19 signs as it does a bit of a jog to the left then to the right again in downtown Tillsonburg before coming out on the south side of the town. Stay on this road through all the little villages and hamlets until you get to Vienna. As you head into Vienna you will go down a big hill and cross a bridge at the bottom. As soon as you cross the bridge turn right, go one block then turn left. This will then take you up a steep hill. Follow this road along, around the bend to the left, until you come to a T-junction where you then turn right onto Vienna Line. Follow Vienna Line along, heading west, until you reach a small dirt road, Woodworth Side road. Turn right, heading north. This is a dead-end road. Follow it along, past COUNTRY CAMPING, until you come to McQuiggan Line on the left. Take it and follow it along, around the bend to the right and our farm is up on the left hand side. My sign is out front.
